

**Aging and Disability Resource Center
Advisory Council
Meeting Minutes
April 28, 2016**

Persons Attending

Victor Anderson
Kaleena Morgan
Kendra Coleman
Paula Webb
Ilona Preattle
Demetria Taylor
Kimberly Bellany
Shameika Averett
Chandra Wilson
Eboni Morris
Katie Howard

Katie Howard opened the meeting which was held at the River Valley Regional Commission office. She announced that Lacey Yeend had her baby a few weeks ago. She also announced that the call in option was available for persons who could not attend the meeting in person.

Upon motion made and seconded, the minutes of the last meeting were approved.

Victor Anderson, St. Francis Hospital, gave a presentation on infection control in the long term care and home health setting. (see attached power point). The following information was presented:

- ▶ Describe the role of infection prevention in the long-term care and home health setting (LTAC/HH)
- ▶ Name the three different types of transmission based precautions
- ▶ State the CDC's position on infection prevention in both settings
- ▶ Describe the best way to prevent healthcare acquired infections (HAI's)
- ▶ Name the most frequent HAI

Ilona Preattle gave a short update on the activities of the Aging and Disability Resource Center for the past quarter. (see attached)

Events which will occur in May, June and July were announced.

With no further business to come before the group, the meeting was adjourned.
